See you at the May 17 Graduation Celebration!

Email MaryLou answering the following questions:

- What did you learn today that **encouraged** you?
- What did you learn today that **discouraged** you?
- What did you learn today that **surprised** you?
- What did you learn today that **you want to know more about**?
- Was there anything today that captured your attention to the extent that you could see yourself **engaging in it further**—to study it further, to play a leadership role in bringing it to the attention of others?
